Thanks to all of our participants for making this event a success!

"This is a great platform, and a very positive experience during the pandemic!"

~KBI Biopharma

"The Fall 2020 VCF provided numerous opportunities to connect with recruiters from large pharmaceutical companies. I had the opportunity to interview with great companies such as Grifols, Novo Nordisk, Pfizer, and Merck. I find this absolutely incredible!"

~JCC Student

"The virtual career fair was a wonderful experience and platform that provided excellent candidates for our open positions."
