"The career fair was a great opportunity to meet with candidates to discuss opportunities while allowing them a chance to get a more in-depth understanding of the organization, culture, and growth potential."

~ **Taysha Gene Therapies**

"A valuable experience to break into the biopharma industry and understand the type of positions available and the skills sought after in applying for them."

~ **BioWork Student**

"Of all the career fairs Seqirus has attended during the pandemic – BioNetwork is rated #1 for the ease of technology, fantastic support, and dedicated BioNetwork team."

~ **Seqirus**

"The career fair is a wonderful way to link a diverse group of qualified candidates to open positions at Corestaff. It is a great way to implement new pathways of communication on behalf of our clients."
